Volume 7, Issue 13, 31st January 2016 From the President

Greetings in the name of Rotary

I know why I had a week off which I have to say I enjoyed - now, leaving the country music scene behind me, it is back to work and all things Rotary!

We've had a great fortnight and a lot of progress has been made.

A big thank you to Gordon for stepping in whilst I was at the Music Festival - it is appreciated.

In the last fortnight we have helped out at the Museum on their Open Day and again at Callisto Park at their open Australia Day celebrations. May I say a big thank you to those who not only worked at these events but who did the 'behind the scenes' work of transporting equipment to and from the events. It comes under the banner of Rotary Service and you worked tirelessly. It is appreciated.

Last week we held a Club Assembly --- why do we hold these? Lets look at it thisway - if YOU are not happy with your Rotary journey, you won't be an 'engaged'

Be a gift
to the world

member and therefore won't be quite such an effective Rotarian. Wellington Point Rotarians seem engaged and happy - and I'm chuffed to be a happy President. I thank you all for your input into this Assembly as programme to go forward for the remainder of this Rotary year and leading into the next. Remember our Club motto - in Wellington Point Rotary we give as much or as little as we can to Rotary - there is no pressure!

Following our Club Assembly - our extraordinary AGM confirmed the election of John Chirio as our President Elect for the next Rotary year – congratulations and big thank you to John - you will make a great President. We still have vacancies on our Rotary Club board for the coming year - it may well be that there may be a position that you would like to know more about and would feel that you would like to fill??? Don't be afraid to ask any further questions as to what the involvement entails - I can assure you of a rewarding journey.

We have so much coming up and lots for each and every one of us to feel both involved and included.

On the immediate horizon of course is the healthy planning which is going into the African Hearts Dinner on the 19th March. Being held at Ormiston College, this promises to be a night to remember for all the right reasons and there will be plenty for everyone to do on the night. Our friend Ainsley is the driving force behind this dinner and her enthusiasm is contagious.

On the horizon we will have the pleasure of the representatives from Qld Police Legacy in attendance in a couple of weeks time to receive the proceeds from the Christmas Wrapping Project. Coming up is an involvement with the Wellington Point State School Fete on 12th March and also the Million Paws Walk - a partnering with Redlands Bayside in the Classic Cycle Ride yet to be approved, but in the pipeline, and arrangements are well underway for another

memorable evening under the guidance of John Paskin when we partner with the Redlands Rotaractors and Alex Hills Mens Shed in the Helping Hands project. Then there is Gordon's swimathon in aid of Vanuatu - hope you are getting in a few laps of the nearest pool in readiness!

On that note - a gentle reminder to think about registering for District Conference in Roma 4/5/6 March - some of us have already registered - hope you are thinking of joining us. I'm pretty excited that we've been able to secure a showcase for African Hearts at this Conference and our Ugandan visitor will also be a keynote speaker.

Time to close - have a great couple of weeks - see you at Rotary or if you feel like popping in to the Bunnings bbq this coming Wednesday, love to see you there as well.

Yours in Rotary Service,

Lorraine Hooker

From the Secretary

Gee wiz!!! We sure now how to start the year off with a bang. As has been said before and will be said again for a small club we sure are active and have a good time doing it to.

This fortnight we had Mike Gilchrist speak on his interesting life of kiwi come to Australia. All eyes were on him and a few laughs were had as he told us of his perhaps 'unexpected' career of army to sales. Thank you Mike!

The next newsletter that you get from me will be sent from the Phillipines where I'll be for work. I do hope you get it, the internet is known to be somewhat unreliable over yonder. If you don't, remember 'the best laid plans of mice and men often go astray' Robert Burns

Callisto Park – Rotarians having a lark

A pleasure to celebrate Australia Day at Callisto Park
Where the sun gently shone - the skies no longer dark
There was Mitch, Lorraine, Steven, Glen and Matt
Not forgetting Nancy who by the barbecue drooled and sat
Australia was saluted and the flag was reverently raised
On the barbecue onions and sausages aromatically
braised
A very gentle little horse was a favourite with the kids
Making a debut before the Samba drummers lifted their
lids
Soon the sound of these drums rang through the air
Adding to the atmosphere for all far and wide to hear
See you next year at Callisto - again we are sure to meet
We were proud to be Australian and for friends to greet

The Four Way Test: Let's all learn it and live by it!

Of all the things we think, say and do...

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and better FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
