LOGGING IN WITH LORRAINE

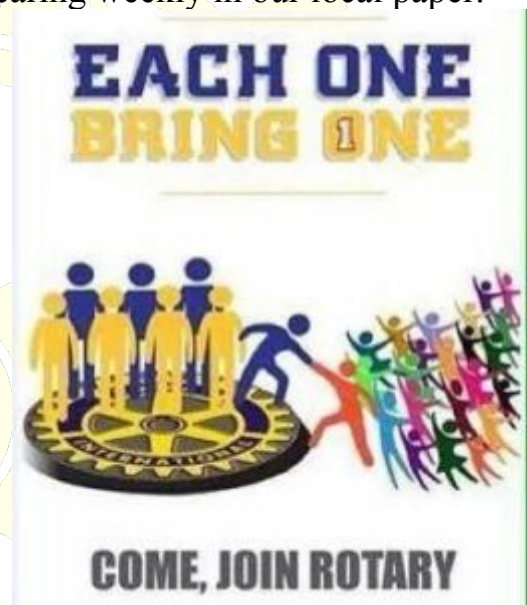

Greetings fellow Rotarians

Our new Rotary year is now well underway and already there have been some very happy times. However, one of our 'not so happy times' is to sadly hear of the passing of our friend Phillip Mallis in Vanuatu. Phillip had a huge heart and passion for his people and only this week we learnt of his death. Our thoughts are extended to his family and our many friends in Vanuatu who I am sure will be very sad in the loss of this man who cared and did so much for the betterment of his fellow countrymen and women.

August is Membership Month - and recognizing that there is strength in numbers, have you thought how much we could grow our Club just by each member bringing one person and introducing them to the world of Rotary?

Once relevant paperwork has been completed, it will be our pleasure to officially welcome Kelvin Boyd into our Rotary family - and we're thrilled he has decided to make Wellington Point Rotary Club, his Club.

We have another prospective member in the pipeline and our notices are now re-appearing weekly in our local paper.

We have now received approval from the local Council for us to connect electricity to our storage shed and this is indeed a step in the right direction. Peter is in the process of preparing a Grant request so that this work can be undertaken - there is considerable work involved in this Grant preparation and we thank Peter for his diligence in this regard. It is appreciated.

Recently we had the pleasure of Ronwyn Collyer speaking at one of our meetings. You will remember Ronwyn as being the Principal of Sycamore School - a school catering for the needs of those

with autism. We offered to help the school in any way possible and Ronwyn has come back to me with a request that soon there will be many books which need covering - I'm confident a morning working bee will see this task happily performed.

On the weekend of October 13th, the Capalaba Rotary Club will be hosting their Blues Festival. This is the fifth Blues Festival run by the Capalaba Club with entry gained by a gold coin donation, and again we have been asked to assist. They are setting up a planning committee and our delegate on this committee will be Mona (thanks Mona) - again, we look forward to helping in any way possible.

Our Christmas wrapping project in Capalaba Central Shopping Centre has now had the formal go-ahead - and we're very happy to again be partnering with North Redlands Probus Club - Crimestoppers and Queensland Police Legacy with these last two organizations again being the beneficiaries of our fundraising dollars. There'll be much fun to be had again this year and it also provides good exposure for Rotary into our local community.

I'd like to thank Neil and the team who so willingly worked at the last Bunnings bbq - customers were many - times were happy - there was much laughter and it was also a great way to keep warm on quite a cool Wednesday. Thank you to each of you who completed a rostered shift - and if anyone who would like to do a shift at our regular barbecues, the next one will be on the last Wednesday of this month, the 29th August.

What a pleasure this last week to have our friend Johaan Kaa come and share with us. No hands, no feet, no excuses - this man epitomises true character and determination stemming from adversity - rebuilding his life, caring and providing for his beautiful family - we were humbled yet again - he is truly an inspiration. There is an opportunity for you to join a day long workshop with Johaan on 1st September (please contact me for further details) - I know there is already interest being shown by one of our Rotarians to attend this stimulating Seminar.

President Lorraine and Johaan.

We have a social night soon - 15th August is the date for us to share a meal together at the Redlands Sporting Club - as we support the Club which gives us so much. More on this at next week's meeting.

Talking of next week's meeting: it is a Club Assembly! A time when you get to really have an input and impact on the direction that what we, as a Club, are heading this year. 'Be the Inspiration' – come and bring your ideas to the table as we look at the areas of Rotary focus:

- Basic Education and Literacy

- Economic and Community Development
- Rotary Foundation
- Disease Prevention and Treatment
- Vocational Service
- Peace and Conflict Prevention/Resolution

as we aim to provide a balanced programme of activities that will indeed be manageable, achievable and worthwhile.

I will conclude this time by sharing a thought which Johaan posted in his weekly newsletter and it is a quote by Anatole France: 'To accomplish great things we must not only act, not only plan, but also believe.

Whilst building goodwill and better friendships, I firmly believe we are in for another good Wellington Point Rotary year.

President Lorraine

CENTURION PROGRAM

Have you been thinking about other ways to support the amazing work being done through Rotary? Well, perhaps it's time to consider the Centurion Program, which is a District wide program that acknowledges donations of AUD 100 to The Rotary Foundation (TRF). This can be done in a single payment or through many payments over the course of the Rotary year. In recognition of this, you will receive a Centurion pin on your first year of contributions and a certificate for the following years. Your input will help in the promotion of peace, eradication of polio, disaster recovery, implementation of education, and so much more. TRF is listed as #56 on the Forbes' List of The 100 Largest U.S. Charities for 2017, meaning that there is so much good work that can be done with a revenue of over \$258 Mil. Just think of the possibilities...

The Four Way Test: Let's all learn it and live by it!

Of all the things we think, say and do...

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and better
FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
