WHO WE ARE

Rotary is a global network of 1.2 million neighbours, friends, leaders, and problem-solvers who come together to make positive, lasting change in communities at home and abroad.

For more than 110 years, our 35,000+ clubs have worked together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Save mothers and children
- Support education
- Grow local economies

CLUB REPORT

Hello Rotarians

It can definitely be said that Wellington Point Rotary Club has been busy, busy, busy!!

Our very own President Lorraine has done an excellent job in organising the 43kg of school supplies that has been kindly gifted by the Mary McKillop school community, as a Rotary Interplast team ventures throughout Fiji. How wonderful will it be to see the children's happy faces in receiving such lovely gifts. We continue to wish them safe travels throughout their journey.

The last club meeting was incredibly practical and relevant as Steven guided us through some simple but effective steps to increase our online safety. As a reminder, research and think about downloading a password manager (e.g. LastPass), enable 2 factor-authentication on all your devices, and enable security notifications when an unknown device tries to log in to your accounts. If you want to know if your email addresses/accounts have been involved in a breach, visit this site <https://haveibeenpwned.com/> For additional advice and resources, please find Steven's helpful notes in the attached PDF in this email.

2019 District 9630 Conference has come and gone, with a great turnout and participation from many of our District's clubs. We had 8 people from our club attend – Lorraine, Sue, Matty, Martin, Gin, Gordon and Catherine. There was overwhelmingly positive feedback about

the Conference – the theme being 'Embracing Diversity and Connecting Communities' – and the speaker line-up was enjoyed by all. Dr Craig Challen who was previously awarded Joint Australian of the Year was also awarded a PHF at the Conference, and received a standing ovation for quite a few minutes. Other memorable speakers include Dr Gomes and Michael McQueen, so if you're feeling curious, Google them and see what they've been up to!

We have also had a Bunnings BBQ which was attended by our talented and experienced sausage sizzle chefs – which generates community awareness of Rotary and the club, and of course, adds to our fundraising streams. Thank you to all our volunteers who help make these BBQs happen.

A special role within our club has been made available – the business partnerships position – where the member(s) continue building strong connections with pre-existing businesses/organisations and also strike up new partnerships with other local community businesses/organisations. This allows for potential sponsorship opportunities, outsourcing external resources and skills, as well as increase interest and potential membership within the club. Please contact any Board member for further information.

There are a few date savers on the horizon, so whether you prefer pencilling it in your diary or typing it in your digital gizmo-app, please take note of these.

- Club Assembly – this week's meeting (13th March) – your input and questions

are highly valued, so please come along to this important meeting as we unite to develop our club's future direction. If you have ideas for fundraising or projects, please complete the submission form and bring it along on the night. You will find the form attached in this email or alternatively through a recent email kindly circulated by Di.

- Friday Friendly with Capalaba Lions – 26th April – it's always a pleasure to catch up with our Capalaba Lions friends so save this date as further details are finalised.
- Rotary Eastern Members Forum – 9th June – this is an informative and engaging event that will broaden and deepen your awareness of Rotary and associated initiatives/programs.

Until then – see you Wednesday night for our Club Assembly!

NEW GENERATIONS REPORT

Our club is proud to have a strong connection with the youth in our community, and this is demonstrated through the many youth programs that we support throughout the year. This commitment quite literally transforms the lives of others, so whatever role you play in making this happen – thank you!

RYLA

Rotary Youth Leadership Award (RYLA) is a week-long personal development and leadership program sponsored by Rotary aimed at developing the interpersonal and professional skills of young adults (aged 18 to 26). District 9360's RYLA 2019 will be held from Saturday 29th June to Saturday 6th July (during the Queensland university and school holidays) at Camp Duckadang, Linville.

This year WPRC will sponsor **Caitlin McIntosh**, a young woman from Redland Coast who is currently studying at Griffith University to

attend RYLA. We were fortunate to meet Caitlin at this week's meeting and heard a little of her background and life goals. Caitlin has previously attended RYPEN (Rotary Youth Program of Enrichment) in Year 10 which she said helped her leadership and confidence from an early age and is now looking forward to extending those skills at RYLA.

NYSF

WPRC has received information regarding applications for NYSF 2020 Year 12 Program. Barry will write to local high schools and colleges in Wellington Point and Ormiston offering a 50% sponsorship of one student and seek interest from any student wishing to self-fund for the program. The cost should the applicant be successful is \$3,150. If any member knows of a student in year 11 with a passion for science, please make them aware of the program or give their contact details to Barry so he can follow up.

Hello.

This is a special message.

If you are reading this – well done – you have made it to the end of the newsletter.

To acknowledge your achievement, remember to mention this note at the next Sergeant's session.

Your reward awaits...

The Four Way Test: Let's all learn it and live by it!

Of all the things we think, say and do...

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and better FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

Apology System

If you are unable to attend a meeting, please advise your apologies to Di Thompson phone 0408985527 by 5pm on the Tuesday prior to our Wednesday meeting. If you are rostered for duty and are unable to attend, it is your duty to ensure a replacement is found for that duty, either by direct arrangement or, if there is sufficient time, by rearranging with Di.
