MATT'S MESSAGE

Hello fellow Rotarians, here we are again at the end of another month and just around the corner is Christmas, time flies even when you're in lock down.

On the 4th November we welcomed guest speakers from ROMAC, Judy Holland ROMAC Operations Director and Ishbel Taylor. We listened to a thorough overview of their amazing work.

ROMAC 's Mission Statement is to provide surgical treatment for children in Australia and New Zealand from developing countries from our Pacific region in the form of life giving and/or dignity restoring surgery not accessible to them in their home country.

Thank you Ishbel and Judy, keep up the amazing work.

CHRISTMAS WRAPPING

Denise is still keen to hear from anyone that wants to get their "rap on" with the Christmas rapping project (sorry about the pun again).

Denise is still looking for volunteers so please give her a call if you want to show off your rapping talents (rapping elves). Please see Sergeant Steven if you need instructions on gift wrapping as I know Steven has studied this fine art and has now mastered it and is a black belt in origami LOL.

Thank you for all your hard work on this project Denise, along with the work you have done on the Village Green with your committee.

Let's celebrate the year together at our Christmas Club Party Friday 11th December at 6pm at Hogan's Hotel Wellington Point. Please let Sharon know if you're attending and what meal you would like to pre-order, also don't forget your \$10 Secret Santa, see you all there.

Ho Ho Ho just a reminder for each guest to bring a gift.
