

2017 COMMUNITY PARTNER'S PROGRAMME

Benefits of Sponsorship

Becoming a Community Partner via the targeted giving program allows your company or organization to give to a specific cause that they find meaningful, demonstrates a willingness to belong to the community and provides an effective contribution to Creating Stronger Communities and Building Better Lives.

Other benefits include tax deductibility of your donation for many of the projects and programs supported by Rotary.

As well, the Rotary Club of Wellington Point will present you with an attractive, quality printed certificate framed in either Bronze, Silver or Gold according to your level of support. The certificate can be publically displayed in your premises as you see fit. We will also provide a scanned copy for use on your web site or publications to raise your community service profile.

The basic level of contribution is classified as **BRONZE** and it includes the following benefits:

- A framed certificate for display in a foyer or board room plus a scanned copy.
- We would (if you agree) display your business logo in the following ways;
 - On our club's web site and Facebook home page with a link back to your business web site or Facebook
 - On a display poster for public display at our meetings and at community events and service projects that we attend
 - On our club's projection screen home page whenever we use data projection at our meetings
- You would have the opportunity to come to a club event to meet a representative of the organization you have donated to and to hear first-hand of the good work they do and how the money is used.

The **SILVER** sponsorship includes the benefits of the Bronze plus:

- An invitation to a Silver and Gold sponsors networking night to meet Rotarians and like-minded Community Partners.
- Invitations to selected club social events and to special fund raising events such as movie nights, plays and dinners.
- Invitation to club meetings which are combined with other Rotary clubs for the attendance of a noted speaker; more social event than club meeting.

The **GOLD** sponsorship includes the benefits of the Silver and Bronze plus:

- A complementary invitation for two to the club's annual Changeover dinner which welcomes in the new President and the new board members. These are often attended by the Mayor or Deputy Mayor or similar persons and also by the leadership teams and dignitaries of other Rotary clubs and of our Rotary District.
- An invitation to attend the annual Rotary District Convention to hear and perhaps meet the keynote speakers and to attend the gala dinner.
- The opportunity to be a guest speaker at one of the club's regular meetings.
- The opportunity to nominate a candidate to the selection committees for any of the following Rotary Youth Programs as detailed in the project and program listing.

RYPEN – Rotary Youth Program of Enrichment for 14 to 16 year olds

RYTS – Rotary Youth Transition Seminar for 17 to 18 year olds

RYLA – Rotary Youth Leadership Awards 18 to 25 year olds.

NYSF – National Youth Science Forum for gifted mathematics and science students

RYEP – Rotary Youth Exchange Students – to live and study in another country for 12 months

Rotary Pride of Workmanship Awards - To provide employers with an opportunity to recognize employees who display the qualities worthy of an Award.

Rotary's Commitment to Finance Management: Donors may be concerned about what level of their charitable donations are received by needy causes after administration costs have been deducted: Rotary International has proudly received a 100% rating for financial health and commitment to accountability and transparency, the highest possible score. The same level of adherence to these qualities is practiced by the Wellington Point Rotary Club for any funds donated to the causes we support, either locally or internationally.
