### From the President

The midwinter cold has not dampened our enthusiasm. Just after Dawn on Saturday the 19th we assembled at Wellington Point reserve to do our duty as adopt a road volunteers picking up litter in the park and on the foreshore.

This weekend we will be providing a barbecue breakfast for volunteer tree planters at Hilliards Park, as part of the Redland City Council tree planting initiative.

Looking forward to coming events we are organising a whiskey tasting night at Wellington Point farm. This will take place on Friday 6<sup>th</sup> of September, publicity will follow soon.

Last week we awarded Paul Harris fellow to Vanessa Fang who has recently graduated from Cleveland High School and will now embark on university studies in Canada. Vanessa has a strong drive to help others in her local community and those beyond and is a very deserving recipient of that honour.

Yours in Rotary  
*President Martin*

Contributions or thoughts are always welcome.
