### From the President

Our last commitment in 2024 was to have a presence at the Christmas Street Fair in Wellington Point Village. We teamed up with some Capalaba Rotary Club members and had a joint information and book-giving presence in the Village Green. The weather was perfect, and there were many locals, families, children, and dogs. It was a lovely evening for all those who joined in.

Following that event, we had our Christmas break-up at the Koala Tavern, Capalaba. It was a delightful evening and a wonderful opportunity for us to celebrate the end of the year and thank those involved for their commitment of time and energy.

Moving into the new year, fortnightly curry runs of free meals from the Jaipur Palace restaurant to the Redlands Community Centre resumed, and this is running smoothly. We also kicked off the year with another cleanup at Wellington Point on Saturday, 15th January, followed by another cleanup on 1st March. This second cleanup was set to coincide with National Cleanup Australia Day, which was officially on 2nd March. We had a great turnout. Thank you to everyone who took part including Councillor Wendy Boglary and Hon. Amanda Stoker MLA.

We had a delightful social evening at Redlands Museum, where we were treated to two plays and an alfresco supper. Well done to all the Redlands Museum volunteers and Theatre Redlands. We look forward to seeing your next performances.

Looking forward, preparations are well in hand for our gin-tasting evening at the Wellington Point Farm. The date is Friday, 4th April. See the link on this website for more information and tickets. Last year's event was a terrific fundraiser and a fun evening. We aim to repeat that success this year. Hope to see you there. Best wishes to all our readers.

Martin McKenna. Club President
